Shears Green Junior School

Anti-Bullying Policy

This policy is based on DfE guidance “[Preventing and Tackling Bullying](#)” July 2017 and supporting documents. It also considers the DfE statutory guidance “[Keeping Children Safe in Education](#)” 2020 and ‘[Sexual violence and sexual harassment between children in schools and colleges](#)’ guidance. The setting has also read Childnet’s “[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)”.

1) Policy objectives:

- This policy outlines what Shears Green Junior School will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community including parents, children, teachers, TAs and all other school staff.
- Shears Green Junior School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Links with other school policies and practices

- This policy links with several school policies, practices and action plans including:
 - Positive Behaviour policy
 - Complaints policy
 - Child protection policy
 - Confidentiality policy
 - Online safety and Acceptable Use Policies (AUP)
 - Curriculum policies, such as: PSHE, citizenship and computing
 - Social Media Policy

3) Links to legislation

- There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):
 - The Education and Inspection Act 2006, 2011
 - The Equality Act 2010
 - The Children Act 1989
 - Protection from Harassment Act 1997
 - The Malicious Communications Act 1988
 - Public Order Act 1986

4) Responsibilities

- It is the responsibility of:
 - The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
 - Governors to take a lead role in monitoring and reviewing this policy including a named governor.
 - All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.

 - Pupils to abide by the policy.

5) Definition of bullying

- Bullying can be defined as:
- *“behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”*. (DfE “Preventing and Tackling Bullying”, July 2017)
- ‘the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online’ (Anti Bullying Alliance)
- Bullying includes but isn’t limited to (with collaboration with all Shears Green Junior School stakeholders (Parents, children and staff):
- Bullying can include name calling, taunting, mocking, making offensive comments; belittling comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; destruction of property; personal gain at the detriment to others; deliberately embarrassing others; using horrible or unkind words about other people, their family and friends; making others dislike people; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, trolling, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of peer on peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

6) Signs and symptoms that somebody is being subjected to bullying

- A child may indicate, by different signs or behaviour, that he or she is being bullied.

Adults should be aware of these possible signs and investigate further if a child:

- doesn't want to attend school
- begs to be driven to school
- changes their usual routine/route to school
- begins truanting
- becomes withdrawn, anxious or lacking in confidence
- starts stammering

- becomes aggressive, disruptive or unreasonable
- starts swearing or using aggressive language for no apparent reason

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The headteacher/Designated Safeguarding Lead (DSL) or another member of leadership staff will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.

If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
